

TESTIMONIALS

“Thank you for helping to make Amy and Duncan’s wedding reception on 6 August 2011 at Deans Place, Alfriston, such a memorable occasion.

The whole day was a great success and undoubtedly enhanced by you starting the evening entertainment. We don’t think we have ever seen such a spectacular first dance.

We had so many wonderful comments from our guests praising your performance that we felt we had to write and congratulate you on a first rate show. It encouraged everyone to get up and dance. The set you organised with Amy and Duncan was perfect with a great mix of old and new.

We have no hesitation in recommending you to anyone hosting a live event and congratulate you on a polished and professional show.

We wish you well in your career and both ourselves and Bride and Groom could not be happier.

Watch out Michael Buble!”

“We just wanted to email you to say how fantastic you were on Saturday! Our guests thought you were outstanding and I have already given out your details twice, I am sure more people are yet to ask.

We were very happy with the performance you gave, and really appreciate the time you clearly spent on the evening playlist, it was perfect.

Thank you again and all the best for the future. We will be in touch again if ever we require your services again”.
